Re: *AdvanceMe v. RapidPay, et al.*

Dear Bill:

I received your letter dated July 5, 2006. I am sure you will find this shocking, but we do not share your assessment of the prior art presented at Barbara Johnson's deposition or defendants' likelihood of success in this case. In the interests of clarity, however, please amend your invalidity contentions to describe exactly how each of these pieces of alleged prior art directly anticipates each of the claims at issue and the precise evidence relied on by the defendants to establish this.

Sincerely,

Ronald S. Lemieux
